

CERTIFICATE

OF APPRECIATION

This is to certify that **Grow Smart with AI** successfully conducted an AI Fluency Workshop for the staff and management team of Sshrishti Trust, New Delhi, on 5th June 2026. The workshop introduced participants to practical applications of Artificial Intelligence in communication, productivity, data management, and day-to-day operations. Through interactive sessions and demonstrations, the programme helped participants gain confidence in understanding and using AI tools effectively in their professional roles.

We appreciate the efforts of the Grow Smart with AI team in delivering an engaging and insightful learning experience and wish them continued success in their future endeavours.
